The art of wallcovering

VINTAGE DELUXE

Asian Paints is India's leading and Asia's third largest paint company trusted for its outstanding paint products which includes a range of innovative solutions. We operate in 15 countries and have 26 paint manufacturing facilities in the world, servicing consumers in over 65 countries.

Nilaya Wallcoverings from Asian Paints brings you the world's finest surfaces. Each product is handpicked and supported by India specific care products, formulated by Asian Paints, to harmonize with perfectly realized decor visions. Curations from internationally renowned designers, collaborations with Indian creative artists and creations by Nilaya's own Signature Series, ensure a continuous flow of an ever stylish range of wallcoverings, decals, borders and paintables.

VINTAGE DELUXE

Walls have to please - of course. In the best case, however, they take the viewer on a journey. In the case of VINTAGE deluxe, Felix Diener, Creative Director of Marburger Tapetenfabrik, takes us to special places. With weathered concrete looks and oxidised metal walls, the collection takes us to the lofts of the metropolises or to old Italian palazzi. You can tell the surfaces have been loved and touched all these years. The elegant chic, the pompous impression and the ornate details of past centuries are evident at first glance. But time has left its mark.

PATTERN SELECTION

Our dedicated institutional sales team can help pick the right pattern for each project. We have colour consultants who can help you navigate the world of pattern books and combination colours. In case you cannot find the right product, we can also help match your sample from the extensive library available with our manufacturing partners. The Nilaya digital catalog is an easy reference to shortlist patterns and co-ordinates.

PROJECT PLANNING & MATERIAL DELIVERY

For large projects a dedicated relationship officer will help you with material estimation, budgeting and material delivery. Most of our product range is stocked locally and our nationwide distribution network can ensure that the material is delivered on site no matter where it is located.
